## M.D. Refuses To Accept Any Responsibility for Accident

A damage claim for \$1214.35 was presented to the Council of the Municipal District of Mountain View No. 49 at their regular meeting in Didsbury on October 12. The claim resulted from an accident on the highway last November, but Council refused to accept any responsibility.

Councillors Dodd, Goetjen, Bagzall and Nidderre were appointed delegates to attend the Municipal Districts convention to be held in Calgary on November 15, 16 and 17. Councillor W.H. Metz was appointed Deputy-Deeve for the balance of the term of the present council.

A protest was made against the granting of a lease on a road allowance adjoining the south boundary of the southwest quarter of section 2 and southeast quarter of section 3, all in Twp 33, Rge 28, W4th, and lying south and west of the road diversion, but Council reconsidered the matter and again approved the

granting of this lease.

Due to the extremely dry weather the secretary was instructed to place a notice in the local papers setting forth the regulations which provide that permits must be obtained before burning of stubble or brush takes place. These permits may be obtained from the Municipal office or from any councillor.

The secretary was instructed to contact Mr. McCathchen of Calgary and have him make a survey of the gravel pit on the S.W. of 18-41-3-5. A report of road work was received by Council, showing one gravel crew working at the present time on a government grant on the road west of Didsbury. It was reported that grading on the Gremora road was nearing completion and graveling will be started immediately.

Accounts and pay sheets completed the business of the meeting.

## MR AND MRS IRVIN KLEIN CELEBRATE SILVER WEDDING

Mr. and Mrs. Irvin L. Klein were pleasantly surprised on Thursday evening, October 7, when a number of close friends gathered at their home to honor them on the occasion of their silver wedding anniversary. Mrs. E. P. Klein made the presentation of a creamer and sugar set to Mrs. Klein.

Following a very enjoyable evening lunch was served. The "bride and groom" thanked those present for the gift received and the guests departed, wishing them all the joy and happiness possible in the future.

## Melvin W. I. Plans Winter Programs

The October meeting of the Melvin W. I. was held at the home of Mrs. W. Summers, where a program was drawn up for the remainder of the year. Roll Call was "Something I Have to be Thankful For." It was decided to have a short tonic, not exceeding five minutes, at each meeting, the member in charge to choose her own subject. Mrs. H. Young will present the topic at the next meeting. A bit of fun will also be included each month and Mrs. R. Shantz will take charge at the November meeting. Mrs. Chandler will present the main topic on Canadian Industries. The next meeting will be at the Emil Krebs home and Roll Call will be an amusing incident at your wedding.

The November meeting of the Melvin W. I. will be on the first Wednesday instead of the usual date, and meetings will start at 2 p.m. during the winter months.

Mr. and Mrs. L. Cooley and family were Sunday dinner guests of Mrs. Cooley's sister, Mrs. Ross Young.

Wedding bells will soon be ringing in our district for Olga Dupont, whose marriage takes place next month.

We're going to miss the sight of the little shack on the corner where Mr. Garney has made his home for the past ten years, for he and his buildings have been moved to Trochu near the Greig home. It was not without a few regrets that Mr. Garney left our district, and he wishes to thank friends and acquaintances for kindnesses shown in the past. Especially he extends thanks to the ladies of the local Red Cross group for their many thoughtful gifts, and the many people who have given him rides to and from town each week. We wish him good luck in his new home.

Mr. and Mrs. Wollen spent last week end with relatives and friends at Three Hills.

Mr. and Mrs. Leonard Taylor and daughter, Linda, of North Battleford, Sask., spent the week end at the home of Mr. Taylor's grandmother, Mrs. A.E. Cowitz.

Irvin Klein, Cliff Murphy and C. Dickson attended the C.C.I. meeting in Calgary Monday afternoon. Mr. J. Brown, president of the Canadian Co-operative Implements Ltd., gave a report on the work done at the Winnipeg plant. He said the turnover this year was \$200,000. He said this was the largest number of Co-op machines which were made by the Cockshutt Company.

## NEW MODERATOR OF UNITED CHURCH

—Central Press Canadian  
New moderator of the United Church of Canada, Rev. W. H. E. Brewster, of St. George's church, Toronto, is pictured above. He was unanimously chosen over other candidates at Vancouver, B.C., to succeed Rev. T. W. Jones of Montreal.

## Research Lab. Aim Of Cancer Drive

The Canadian Cancer Society Campaign, now under way in this district, is asking the support of every citizen.

Cancer research will take a long and progressive step forward in the province if present plans for setting up of complete cancer research facilities are successful.

An entirely new feature of the 1948 campaign will be the setting aside of funds toward the establishment of a cancer research laboratory. Discussions are now underway with University of Alberta officials with this end in view.

The elimination of Cancer from the list of diseases that annually kills so many of our citizens is a task of considerable magnitude, although considerable headway has now been made. The Canadian Cancer Society, in the few years of its existence, has contributed much in the way of funds for research, service and financial aid to cancer sufferers, and education of the general public in recognition of symptoms so that cures may be obtained while the disease is still in its early stages.

The support of the public should be given this campaign so that the work of the Society can not only be maintained but extended still further.

## DIDSBURY HOSPITAL BIRTHS

Born to Mr. and Mrs. Stanley Baptist of Sunnyslope on Wednesday, October 6, a girl.

To Mr. and Mrs. Art Sinclair on Wednesday, October 14, a girl.

To Mr. and Mrs. V. Umbach of Garfield on Thursday, Oct. 14, a girl.

To Mr. and Mrs. David Buckler of Dougpoint on Sunday, October 18, a boy.

To Mr. and Mrs. A. Kula of Crossfield on Monday, October 18, a boy.

To Mr. and Mrs. O. Thompson of Calgary on Sunday, October 18, a boy.

To Mr. and Mrs. W. Papke of Dougpoint on Sunday, October 18, a boy.

To Mr. and Mrs. W. Papke of Dougpoint on Sunday, October 18, a boy.

To Mr. and Mrs. W. Papke of Dougpoint on Sunday, October 18, a boy.

## Plane Takes Didsbury Girl to Toronto for Delicate Operation

Louise Claire Brown, 16-month-old daughter of Mr. and Mrs. Kenneth R. Brown of Didsbury, and her mother arrived safely in Toronto Friday morning after an all-night plane trip, and was immediately taken to the Sick Children's Hospital, where she was scheduled to have a delicate lung operation Monday.

It was found that she had contracted measles, and she was immediately confined to an infectious ward. The little girl swallowed a small piece of coal about a month ago and was treated for pleurisy, with little success. Later it was found that a piece of coal was imbedded in the lung, and that it would require a delicate operation to remove it. This operation could not be performed in Calgary or Edmonton and it was suggested that the child be taken to the Mayo Clinic at Rochester.

After consultation with D.V.A. officials in Calgary the case was referred to the Didsbury branch of the Canadian Legion. The matter was then referred to the Commissioner of the Red Cross Society in Calgary, who took the attitude that when a life is at stake quick action is necessary.

He immediately got in touch with officials in Toronto and the next day a wire was received stating that arrangements had been made to treat the child in the Sick Children's hospital in Toronto, and Dr. D.E. Wishart would perform the operation.

A meeting was called in Didsbury Wednesday evening to discuss the case and was attended by George Law and Charlie Mortimer, representing King Hiram Lodge; H. Lynch-Staunton, the Didsbury Lions Lions Club; George Thirling and E. Gogswell, the Canadian Legion; Rev. Archer, the United Missionary Church; Clint Reiber, the Evangelical Church; and W.A. Austin, the Red Cross. The help of the Red Cross was explained at this meeting and with the consent of the child's doctor, Dr. H.W. Epp, and the parents, arrangements were made to immediately send Louise to Toronto by plane and she left Thursday evening, accompanied by her mother. They arrived in Toronto Friday morning, where Red Cross officials met them and the child was immediately taken to the Sick Children's hospital.

The Red Cross has assured all expenses of the cross, but contributions are being received from various Didsbury organizations and citizens to help defray these expenses, and anyone interested can leave donations with C.E. Reiber.

## M. Nowak Dies In Calgary Hospital

Michael Nowak, 70, of 1023 7A St. N.W., Calgary, who came to Alberta in 1909 with a C.P.R. construction crew, died Tuesday, October 12 in the General hospital after a brief illness.

Mr. Nowak was born in Kiliand, Poland, and moved directly to Alberta. He was employed in construction work in various parts of Alberta before moving to Didsbury in 1909. In 1926 he was transferred to Calgary where he was foreman of the C.P.R. construction department for many years before retiring in 1941. Mr. Nowak was a member of the Brotherhood of Maintenance Railway Employees and was one of the original founders of St. Stephen's Greek Catholic Church.

Surviving are two sons, Nicholas of Didsbury and Peter of Calgary; two grandchildren; two brothers, Frank of Calgary and Phillip of Innisfail; two sisters, Mrs. Fred Josephine of Daysland and Mrs. Stephen Husvick of Bruce, Alberta.

Prayers were held Wednesday, October 14, in Jacques funeral home at 8 p.m. Funeral services were held Friday, October 15 in St. Stephen's Catholic Church, Calgary, at 10 a.m. burial followed in St. Mary's cemetery.

## Westcott W.I. To Hold Bazaar Nov. 5

The Westcott W.I. met at the home of Mrs. Cliff Eckstrand on Thursday, October 14th with 13 members and three visitors present.

Roll call was answered by giving "a cure for the blues."

Two letters were read from the corresponding Institute in Norham, England. One was sent to the president, Mrs. H. Levagood, and the other to the secretary, Mrs. A. Robertson. Along with Mrs. Robertson's letter was sent a lovely embroidered linen tea cloth to be used on the table at the W.I. meeting nearest to November 4th, as that date is the 25th anniversary of the Norham Institute. The embroidery on the cloth (last hand worked) was done by the Norham Handicraft Committee. It is really a work of art and the coloring and work is perfect.

It was decided to hold a bazaar on Friday evening, November 5th, at 8 p.m. sharp. There will be a table of home made items and one for the children to spend their money on. There will be an hour and a half program, followed by the sale of articles, and lunch will be served. "Pack Up Your Troubles" was then sung.

In the "Know Your Canada" some members had missed out on their papers so there were three provinces for this month.

Mrs. Carl Eckstrand had Prince Edward Island, Mrs. H. McFarland had Newfoundland, and Mrs. H. Levagood had New Brunswick.

Next month there is to be a quiz on all the provinces.

As the hour was getting late Mrs. C. Shields' paper on Social Welfare was postponed until the next meeting, which will be held at the home of Mrs. C. Shields on November 11th at 2 p.m. The roll call will be answered by a "by-product of coal or oil."

## FIRE AT NUISANCE GROUND

Fire at the nuisance ground got away last Friday afternoon and burned over H. Vine's pasture. Volunteer fire-fighters quickly arrived on the scene and were successful in extinguishing the blaze before it came too close to Mrs. Vine's buildings.

With the extreme dryness of the grass and rubbish this fall every precaution should be taken against fire.

## Whales Succeed In Mass Suicide

Crescent Beach, Fla.—Forty-four whales swam out of a rough ocean and deliberately beached themselves recently in an apparent mass suicide.

Many of the animals, which ranged in size from seven to 14 feet, died quickly as they were rolled over the sands by the rough surf. A few remained afloat, and efforts were made to drag them back into the water.

Guardians said that several times in the past whales have beached themselves along the Florida coast in unexplained "barf-kay" fashion. When they were towed back into the water, they swam headlong into shore again.

The weather still remains fine and temperatures are above normal for this time of year.

## PLANT 500 TREES ON SCHOOL SCHEDULE

—Central Press Canadian  
Tree planting in a game of these 500 kids of West Vancouver, Australia. Five hundred children from Vancouver schools turned out in full to plant 500 pine trees in the Daresin creek valley, near West Vancouver, recently. The ceremony of the tree planting was part of a project in which the Daresin council proposed to plant trees for the three miles along the valley.

## SUBSCRIBERS

A number of subscriptions to "The Didsbury Pioneer" are now due and payable. Owing to increased expense and the high cost of newsprint we cannot continue sending the paper to subscribers who are in arrears. We do not want to discontinue the paper being sent to any subscriber, unless circumstances force us to do so, but we must cut down expenses, or get in our subscription arrears if we are to meet the heavy obligations undertaken to put our printing plant again in production after the disastrous fire we suffered this spring.

## High School Initiation Pranks Cause Embarrassing Moments

On Friday, October 16, the Grade Ten class and other new students entering the Didsbury High School were initiated, and they are now full-fledged members of the Student Body.

During the week October 12 to 15, the students being initiated had to follow certain rules such as carrying books for the other students, opening doors for them, and meeting them on the street moving off and bowing to them. These humble persons were a band of purple and gold on their outer sleeves so they could be distinguished from other students.

Friday afternoon the new pupils had to wear certain designated costumes to school. The girls were gummy socks and vegetable neckties, unbuttoned shoes and unbuttoned socks. They could not wear make-up or comb their hair that day. The boys had to wear their shirts and trousers inside out and backwards, unbuttoned shoes and socks, but unlike the girls they wore their hair nicely curled and their faces brilliantly painted.

At 3:00 p.m. the high school classes were let out to watch the performances that the initiated students had to take part in. The first was to

shake down the main street of town and weave in and out of several stores and cafes. They then played leap frog on the road, halting the traffic.

The next act was probably appreciated by the business men on that street because the students were made to sweep the sidewalks. Some swept with both brushes and others were fortunate to be able to carry brooms.

Because of the cold autumn wind the entire initiation was carried out and the victims were dismissed without further torture. They were given a hearty welcome to return to the evening party.

The party opened with a mock trial in which the law breakers of the week were tried. The jury made a habit of finding them all guilty and of course the judge then imposed the sentence. The consequences which the presence at the bar had for the other students, with their laughter from the court.

The remainder of the evening's program was devoted to games, lunch and dancing. The students went home at 12 o'clock after the first and very successful party of the school term.

## Miss Bernice Sinclair Weds in Calgary

A bride and two young flower girls preceded the bride down the aisle of Central United Church for the wedding October 2, at 8:15 p.m. of Edith Bernice Sinclair and Charles Wesley Burkhardt. Edith, a daughter of Mr. and Mrs. D.M. Sinclair of Didsbury, and the son of Mrs. H. Bellingham of Calgary.

Given in marriage by her father, the bride was gowned in a formal model of white satin, fashioned with sweetheart neckline and long full-length sleeves. Her full-length veil fell from a hair headpiece, and she wore a double strand of pearls with zirconia to match, the gift of the groom.

The bridesmaid, Miss Margaret Sinclair, was frocked in a floor-length gown of blue satin, worn with chapel veil and headpiece to tone, while toe-length more dresses in tones of yellow and peach-pink respectively, were worn by the junior attendants, Sandra Lynn Puckett and Ariene Dyson.

Charles Dyson was groomsmen, and the guests were ushered by James Sinclair, brother of the bride, and Maurice Pledger.

A reception was held at the Empress hotel following the ceremony, when the bride's table was centred with a three-tiered wedding cake flanked by vases of gold and bronze chrysanthemums.

Jerry Puckett proposed the bridal toast, to which the groom responded, and during the reception a telegram of congratulations was received from the groom's uncle and aunt, Mr. and Mrs. O. Leyle of Vancouver.

Mr. and Mrs. Burkhardt left later to spend their honeymoon in Edmonton, prior to taking up residence in Calgary. To travel, the bride changed to a grey wool suit with matching top coat and accessories to tone.

## DOWN FROM POLE

San Francisco—Milton Van Nolen came down last Thursday from the flagpole where he had sat in a horse saddle for 70 days, 23 hours and 33 minutes.

Mrs. E. Grange announces the engagement of her only daughter, Marguerite Joyce Fisher, to Mr. Douglas D. Colwell only son of Mr. and Mrs. Fred Colwell of Cremona. The wedding will take place sometime in November.

**FALLEN TIMBER NOTES**

The people in this district have been enjoying the beautiful autumn weather and are very thankful and happy that they have been given such fine weather to harvest their grain and vegetable crops. Many of them are thinking of taking trips which were not possible during the busy season. Some of the big game hunters are anxiously awaiting the opening day of the season so that they can stock up the larder for the winter.

Mr. and Mrs. John Cooper and family visited with Mrs. Cooper's parents near Lethbridge during the Thanksgiving holidays.

Mrs. Betty Reimer, who is teaching at Winborne, spent the week end and Thanksgiving with Mr. and Mrs. McMullen and family.

Mrs. McMullen entertained with a small party on Saturday, October 9, in honor of Miss Beth Mellon of Calgary, who has been her guest for the past week.

We wish to express our heartfelt sympathy to Mrs. Wilson Blain and family in their recent bereavement. Mrs. J. Howton and Danny visited at the Steen home to see the young mouse, Bingo.

Mrs. S. Welsh and wee daughter have returned home. Some snow and hail fell in the district Tuesday and the weather is now quite frosty.

The October meeting of the Busy Bees club was held at the home of Mrs. John Howton. It was decided that the club would hold a pot luck supper at the Fall Timber school on November 12. The next meeting will be held at the home of Mrs. W. Roberts.

Fallen Timber has at long last obtained a community piano. Mrs. Lydia Teynor is now training a junior choir, accompanied by Mrs. J. Howton on the piano.

We are glad to hear that Mr. Archie McMullen is out of hospital after an appendicitis operation. Speedy recovery, Archie.

Mr. and Mrs. J. Howton and Mr. H. Howton had a friend from England visiting them recently.

What do you know? The municipality has finally done a spot of work on the Elton road leading to the Improvement District. Which goes to show miracles can still happen.

Church services were held at Fall Timber school with Rev. C. B. Moore preaching the sermon. Mrs. Janzen and Lydia Teynor, accompanied by Velma Janzen, brought two lovely special numbers. Services will again be held on Sunday, October 24.

Mr. and Mrs. P. Janzen, Velma and Blair were Sunday visitors at the home of Mr. and Mrs. Joe Teynor.

Mr. and Mrs. Harold Russell were recent visitors in the district. A number of local residents attended the Fox Party services in Calgary.

Mr. Alex Moore is troubled with a bad knee and we hope it will soon improve.

Mrs. J.A. Howton and Danny accompanied Mr. and Mrs. C.B. Moore back to Calgary, where the former will visit for the next week.

Mr. and Mrs. J. McGaffin were Didsbury visitors on Saturday.

Mr. and Mrs. Elmer Brunk, Jessie and Zella visited Sunday with Mr. and Mrs. Bill Mooney and Susan Teynor.

### — NOTICE — SETTING OF FIRES AND THE USE OF FIRES

During the closed season (1st day of April to the 1st day of December, inclusive) no person shall set out fire, except under permit and subject to the conditions prescribed by the regulations.

Conditions under which burning may be done:

The land on which the fire is kindled must be completely surrounded by a fireguard consisting of land covered with snow or water, or burnt-over land, or ploughed and free of inflammable matter of waste, not less than 20 feet in width. Such fire must be guarded during the whole period of its continuance by three adult persons provided with proper appliances for extinguishing fire.

Anyone setting fire contrary to the above shall be guilty of an offence and liable on summary conviction to a penalty of not less than twenty-five dollars and not more than two hundred dollars.

Permits may be obtained from your Council or Municipal office. M.D. MOUNTAIN VIEW No. 49, A. Brusso, sec.-treas.

The following letter from the Head Office of the Coleman Lamp and Stove Co. Limited speaks for itself:

"It has been our policy from time to time to have our laboratory test Esso Kerosene and Imperial Naphtha. After careful analysis each time we have found that Esso Kerosene and Imperial Naphtha have all the qualities so essential in fuels that are to be used in Coleman lamps, lanterns, irons, stoves, blow torches, and similar products. We highly recommend them for use in Coleman kerosene or gasoline appliances."

For complete satisfaction in your kerosene and gasoline appliances always use Esso Kerosene and Imperial Naphtha.

#### LETTER TO EDITOR

The construction of sewers, as a means of disposal of sewage, goes back over 2,000 years to the Roman period. Under all ordinary circumstances the water-carriage system is the cheapest, cleanest, most convenient and most sanitary method of disposal of all household liquid waste. By a water-carriage system is meant that toilet and kitchen waste products are conveyed by underground pipes to a central disposal area.

Let us examine the present system of disposal of household waste products as they exist today in this town. For the most part stop water from dishwashing and personal washing water is collected up in pails after use and thrown out on to the ground outside the back door or scattered around the back yard. The ground under this system rapidly gets soiled with grease and fatty products in this water. Such areas containing these products make attractive feeding and breeding grounds for the disease carrying flies. Such areas are also unsightly around the house and on a hot day give off unpleasant odours. In the business section there are a number of cesspools, concrete tanks sunk into the ground, into which waste water is poured. This system is no less ideal as the tops of these cesspools are invariably fouled with greasy waste matter which attracts innumerable flies. These cesspools give off an unpleasant odour and require pumping out frequently, and this process further accentuates the unpleasant smell in the area. It is true a bad smell never causes

disease in itself, but where it exists there is always rotting organic matter which attracts flies, and flies always constitute a menace to personal health. With a water-carriage system all these evils are eliminated as the liquid waste is poured down the sink or wash basin and disappears far underground in pipes to be scientifically dealt with at the central disposal area far from ones own back door.

The system of having toilet pits in a town of this size in this day and age can only be described as primitive in the extreme. Entering one of these privies on a hot day in summer is a revolting experience no matter how clean it is kept. There is always a smell in these places from the putrefying organic matter. Again flies frequent these privy pits, unless carefully fly-proofed. The distance from the privy pit to the kitchen is short, and a fly who has frequented the former, is very liable to make his next call at the table all set for a meal. The diseases spread by flies are summer diarrhoea in children and babies, typhoid, dysentery, infective jaundice and possibly poliomyelitis. The citizens of this town are thus instantly laying themselves open to an epidemic of any of these diseases so long as this privy pit menace exists in their midst.

You may ask how we can make our town safe against these possible dangers. The answer is easy—let us all go out for the installation of a modern water and sewage disposal system. Let us do away with privy pits and install flush toilets in which human waste products are immediately covered with water thus pre-

#### SYMBOLS OF SAFETY

You'd come to a sudden curve without warning if the familiar highway checkerboard weren't there. This symbol of safety makes highway travel smooth, safer, faster. Just as the Treasury Branches make business operations easier throughout the province by providing a complete, modern service.

#### IT'S A GOOD IDEA TO HAVE SERVICE!

A Current Account at your Treasury Branch is a revolution in courtesy, speed and service. Do all your business at the Symbol of Safety.

venting the flies getting at them and where the touch of a button conveys them diluted in water through pipes to a disposal field. The flush toilet inside the home ensures more than health protection—it ensures comfort, for no one relishes the idea of walking out to the toilet at the end of the garden on a cold, snowing night.

The initial installation cost of such a system may be high, but surely it is a small price to pay for the additional safeguard to the health of yourself and your children. Safe health and life so far as you personally are concerned surely

cannot be reckoned in dollars and cents.

Every householder in this town who has the interests of his family and his fellow citizens at heart will record his vote in the forthcoming ballot as solidly in favour of the installation of a water and sewage system in this town as early as possible. No article has ever been written against such a system, as the benefits to health are undeniable. The cost may be high but where health and personal comfort are concerned it is still a reasonable price to pay.

DR. LESLIE C. ALLAN

## The RCAF

**will train you to become an expert technician**

In the post-war R.C.A.F. there are many trades which provide ample scope for the ambitious young Canadian to prepare himself for a progressive future in the technical, radio, or clerical fields.

This is the day when the men with special skill and training have the advantage over the other fellow.

The R.C.A.F. offers you just the training and opportunity you are looking for.

**EARN WHILE YOU LEARN**  
Rates of pay in the R.C.A.F. have been increased and you can add to your monthly income by improving your trade proficiency and by promotion to higher rank.

- Technical trade training
- Full opportunity for advancement
- Progressive pay increases
- Provision for religious welfare
- Medical and dental care
- Sports and recreational facilities
- 30 days vacation a year with full pay
- Clothing provided
- Retirement income assured

**YOU GET ALL THESE IN THE RCAF**

and remember... the R.C.A.F. offers you continuous employment and pay.

#### INCREASES REPORTED IN TRUMPETER SWANS

WASHINGTON—A probable victory in the trumpeter swan's fight against extinction was reported recently by the United States Fish and Wildlife Service.

Albert Day, service director, said 418 of the majestic white-plumaged swans were counted from the air in Western United States reserves this summer. The number has increased slowly from a low of 73 in the United States in 1935, Day said.

Western Canada's trumpeters also are increasing and now number about 900, Day reported. A number of the birds, presumably from British Columbia and Alberta, were seen in Southeastern Alaska last spring.

#### EDMONTON REFINERY LINKED TO PIPELINE

Imperial Oil Ltd. officials at Edmonton announced last week that oil was now flowing through a 30-mile pipeline at the company's Edmonton refinery from the Woodbend-Leduc sectors of the Edmonton oilfield.

The final section of pipe, welded into position last Wednesday, was started July 20. Whit Sexton, local manager of the company, estimated the line cost \$500,000 to lay.

#### TRUCK DRIVER INHERITS WEALTHY UNCLE'S ESTATE

SCRANTON, Pa.—Walter Pearson, 32, a truck driver, learned recently that a Canadian uncle he met once as a youngster, has left him \$363,000, a 14-room mansion and a fishing lodge.

The news came as a surprise to the bespectacled Pearson because he did not know his uncle was wealthy. Pearson was named for the uncle, Walter Pearson, who went to Montreal 80 years ago and made a fortune in the brewery business.

"I guess I owe it to my father and mother for naming me Walter," said Pearson, father of five children.

He said he intends to keep right on working as a driver for a Scranton dry cleaning establishment despite his inheritance.

Pearson said that last June a representative of the law firm of MacKenzie and Mackenzie, Montreal, visited him and asked whether he had an uncle in Canada.

Pearson said he has been informed the bequest was left to him in trust for ten years, during which time he was directed to live in the mansion, located in Montreal.

In 1958 he will inherit the entire estate to do with it as he pleases.

"I'm still a little undecided about living in Canada," Pearson said.

"There's a possibility that I can still live in Scranton while I'm getting the interest. At least I hope so. I like Scranton quite a bit."

#### CANADA WILL ASK U.K. FOR HIGHER BACON PRICE

Canada will ask Britain to pay "a substantially higher price" for bacon in the new 1949 contract, it was indicated recently by the Dominion Department of Agriculture.

Price on the current British contract is 83¢ per hundred weight, and already 145,000,000 pounds of an agreed 195,000,000 pounds have been delivered.

The new contract will be negotiated this fall.

Agricultural officials said Canada would be in a strong bargaining position because of the high domestic demand for pork and the sure prospect of pork prices sharply increasing in line with those of beef following the lifting of the export ban on Canadian cattle to the United States.

The new British price for bacon, it was explained, would have to be high enough to ensure a surplus for export. That it, it would have to be competitive with higher domestic pork prices or there could be no bacon surplus for the British market.

#### Australian Tractors

It is estimated that during 1948-49 a record number of 11,000 new tractors will be supplied by Australian agriculture and industry. Besides an anticipated domestic production exceeding 2,000, more than 9,000 tractors will be imported, 4,000 of these are expected from the United Kingdom and 5,000 from the United States. Approximately 6,500 of these tractors will be over 25 h.p., the type primarily used for large scale cereal production. Self-propelled rotary hoes and small garden tractors are not included in the above figures.

#### TACT

Wendell Phillips was the most polished and graceful orator North America ever produced. He spoke as quietly as if he were talking in his own parlor and almost entirely without gestures, yet he had as great a power over all kinds of audiences as any American of whom we have any record. Often called before howling mobs, who had come to the lecture room to prevent him from being heard, and who would shout and sing to drown his voice, he never failed to subdue them in a short time. One illustration of his power and tact occurred in Boston. The majority of the audience were hostile. They yelled and sang and completely drowned his voice. The reporters were seated in a row just under the platform, in the place where the orchestra plays in an ordinary theatre. Phillips made no attempt to address the noisy crowd, but bent over and seemed to be speaking in a low tone to the reporters. By and by the curiosity of the audience was excited; they ceased to clamor and tried to hear what he was saying to the reporters. Phillips looked at them and said quietly: "Go on, gentlemen, go on. I do not need your ears. Through those pencils I speak to thirty millions of people."

No voice was raised again. The mob had found its master and stayed whipped until he sat down.

Speakers' Library.

#### BRITAIN REMAINS GOOD CANADIAN CUSTOMER

That Canada is still the principal supplier of foodstuffs to the United Kingdom is shown in an article appearing in *Foreign Trade by W.B. Journal*, Agricultural Specialist of the Department of Trade and Commerce in London, England.

Imports of foodstuffs from Canada totalling 43,000,000 cwts. in the first six months of 1948 represent 37.9 per cent of all provisions purchased from abroad by the United Kingdom. This amount compares with 62.2 per cent in 1947 and 25.4 per cent in 1938.

Canada supplied 82 per cent of the wheat and flour imported, 78 per cent of the cheese, 75 per cent of the bacon, 40 per cent of the eggs and 69 per cent of the canned salmon.

#### H.M.S. VANGUARD TO CARRY ROYAL FAMILY ON TOUR

Before taking the King and Queen and Princess Margaret to Australia and New Zealand early next year, H.M.S. Vanguard is to sail from Devonport for trials and a working-up cruise in the Mediterranean. The Vanguard is the ninth ship of her name in the Royal Navy. The Honors List aboard the present ship records successes from 1586 to 1946. These include the victories of Armand, Cadiz, Barfleur, Quebec, the Nile and Jutland. She is the most powerful ship in the Royal Navy today with a main armament of eight 15-inch guns. She is over four times the length of Nelson's Column and has a standard displacement of 42,000 tons. The Royal voyage to South Africa last year was undertaken in the Vanguard.

## First Aid Hints for Dislocations and Bruises

### DISLOCATIONS:

A dislocation is the displacement of one or more of the bones of a joint. The joints most frequently dislocated are those of the shoulder, elbow, thumb, fingers and lower jaw.

#### SIGNS AND SYMPTOMS:

1. Pain of a severe sickening character at or near the joint.
2. Loss of power in the joint.
3. Fixity of the joint. The limb cannot be moved at the joint either by the patient or by the First-Aider.
4. Deformity of the limb. The limb assumes an unnatural position, and is mis-shapen at the joint.
5. Swelling about the joint.

#### TREATMENT:

#### MAKE NO ATTEMPT TO REDUCE DISLOCATION.

1. Steady and support the limb in the position which gives most ease to the patient, using padding where necessary in order to lessen the effects of jolting during transport.
2. Rest the patient on a couch or bed in the position which gives most ease.
3. If the pain is severe, expose the injured part and apply a cold compress.
4. When cold ceases to give comfort, apply a hot compress.

### BRUISES:

A blow anywhere on the surface of the body may cause extensive capillary hemorrhage beneath the skin, without breaking it — a "black eye" is an instance. The injury is accompanied by discoloration and swelling.

#### TREATMENT:

Apply pieces of lint soaked in equal parts of spirit and water, or a cold compress.

**LOOK AT THESE BENEFITS!**  
UP TO 75% LONGER LIFE!  
Because they're "rivetless" CHRYCO Cyclebond brakes provide thousands of extra miles of brake lining life.  
**MORE BRAKING POWER WITH LESS EFFORT!**  
The unbroken surface means greater braking power... more actual braking surface to contact from.  
**GREATER ECONOMY!**  
Since dirt and grit rarely collect on its smooth surface, drum scoring is practically eliminated.  
See us about your CHRYCO Cyclebond brakes to-day.

## -: DISTRICT NEWS :-

### NOTES FROM EAST

Mrs. E. Avelson and Mr. and Mrs. L. Brown of Allingham spent last Tuesday visiting Mrs. Berry at Eagle Hill.

Mrs. R. Eckel, Miss S. Zook and Miss Claire Wood spent Thanksgiving with Mrs. D.B. Wood and Kenneth.

Mr. and Mrs. A. Thompson motored to Calgary on Wednesday and will spend a few days in the city.

Mrs. E. Avelson spent Thursday with Mr. and Mrs. Mac Dundas of Allingham.

Fred Metz and Pete Schumaker were flying low while looking over the roofs and inspecting gravel pits in the municipality last Wednesday.

Miss Jean Horie has been visiting the past week with Mrs. S. Brander.

Mr. and Mrs. Frank Moon and son of Didsbury spent Thanksgiving with Mr. and Mrs. Chris Ehret.

Mrs. Avelson, Mrs. Patterson and sons were dinner guests with Mrs. D.B. Wood and family.

Mrs. Mackie of Calgary has been spending the past month with Mrs. Wood, and has returned to her home in Calgary.

Mr. and Mrs. Otto Pederson and family moved to their new home in the Ponoka district on Saturday and we wish them success and happiness in their new home.

Mr. Alister Watt of Olds, formerly supervisor of the Jutland school, was married to Miss Loreen Koenig of Monitor on October 1st.

Glen Jackson of Acme was a Sunday guest at the Wood home.

Miss Betty Fulkert spent the week end at the Brander home.

Jack Heber was a Sunday visitor with his brother-in-law, Walter Schaefer, and Sam Croissant of Hilda, who have purchased a garage and service station at Carbon.

Evelyn Dowell and her father, J. F. Dowell of Carstairs, motored to Calgary on Saturday.

Among the ladies visiting at the Patterson home on Wednesday evening were Mrs. Mackie, Mrs. Wood, Mrs. Roy Milne, Mrs. Hansen and Mrs. Dowell.

Born to Mr. and Mrs. Stanley Baptist of Sunnyslope on October 12, a daughter.

J. D. Thomas was a caller at the Fred Metz home last Thursday.

The Jutland Beef Calf Club will hold another meeting at the Jutland school on Thursday, October 21st, at 8 p.m. Four members are needed to keep this club going. Any boy or girl between the ages of 12 and 21 who are interested are asked to attend this meeting.

The Lone Pine W.I. met at the home of Mrs. Pross with quite a number of members and some visitors present. Members of the W.I. will canvass the district for funds for the Cancer society. Mrs. Jack Robertson, our district convener, was present and gave a splendid talk which was enjoyed by all. The local W.I. members always look forward to Mrs. Robertson's visits.

Mr. and Mrs. Bruce Sheila, Ann and Linda were Sunday dinner guests at the Schumaker home.

Mr. and Mrs. W. McCalliech and George Long were Calgary visitors Thursday last.

Mr. and Mrs. Schumaker were also visitors to Calgary Thursday.

Mr. Teddy Wheel and some of his friends were Sunday visitors at the Alf. Thompson home.

Mr. and Mrs. Bush of Cranbrook were week end visitors at the Thompson home.

### MOUNTAIN VIEW

Mr. and Mrs. B. Armstrong of Olds were visitors at the B.A. Atkinson home last Sunday.

Mr. A. Thompson accompanied a few men on a trip to Brooks last week, with an eye to a bit on hunting. Their luck was favorable and they returned with a number of pheasants and a few ducks.

Raymond Hayne has a new ten Mercury truck.

Mr. and Mrs. Fred Ott of Olds were guests last Sunday of Mr. and Mrs. G. McGill, and on their return home Miss Anna McGill accompanied them and will visit in Olds for a week.

Mr. and Mrs. Christensen of Acme were dinner guests Thursday with Mr. and Mrs. Harold Shultz.

Mr. and Mrs. Dwayne Fobes were guests at a turkey dinner on Sunday at the home of Mr. and Mrs. C. Fobes.

Mr. and Mrs. E. V. Rogers and family were Sunday dinner visitors at the home of Mr. and Mrs. W. Bruce.

Mr. and Mrs. B.A. Atkinson and family spent Thanksgiving day at the home of Mr. and Mrs. R. Fought of the Bechtel district.

### CREMONA ITEMS

A bazaar and dance sponsored by the Big Prairie Women's Club was held in the Big Prairie hall on Friday evening, with the local orchestra supplying the music for dancing.

A blanket and cake were raffled, Cliff Lewis winning the blanket and Johnny Tass the cake.

A good attendance was reported at the Legion dance in Cremona hall on Friday. The Merry-makers supplied the music.

A benefit dance for Mr. J. Witly of Dauphin will be held in the Dauphin hall on Wednesday, October 20. Mr. Witly's home and belongings were completely destroyed by fire on October 7.

Mrs. R. Reid has been laid up in bed for several days after falling and injuring one of her limbs. We wish her a speedy recovery.

We are pleased to hear that little Carol Carter is feeling much better after spending several days in a Calgary hospital. Good luck, Carol.

The United Church was nicely decorated on Sunday for a special Thanksgiving service. Rev. Pylus of Carstairs conducted the services.

Missionary Tidman and Mrs. Tidman showed movies of their trip to India and Africa on Tuesday evening in the Mennonite Church. Tuesday afternoon Mr. Tidman spoke at both the Cremona high and public schools.

A little excitement was caused in Cremona on Sunday evening when a fire, lit to burn a mattress at the Leinweber home, got out of control. The fire quickly spread and would have burnt several outbuildings but for the quick work of volunteer fire fighters.

Mr. and Mrs. G. Brown spent Sunday night seeing at Banff.

Miss Doris O'Neil is assisting Mr. Leinweber with her housework and the care of the children.

Miss Grace Brown is now employed in Hollbrook's General Store.

Rev. and Mrs. Hallman and Bonny of Jones River Bridge were Saturday dinner guests at the home of Rev. and Mrs. Baker.

Mr. and Mrs. Joe Ragan and Logan of Calgary visited Sunday with Mr. and Mrs. C.H. Waterstreet and family of Cremona, and Mr. Jack Ragan and Mr. Dillie Waterstreet of Big Prairie.

Mrs. Bruce Hewitt's parents of North Battleford, Sask., visited last week with Mr. and Mrs. B. Hewitt and Mr. and Mrs. M. Hewitt.

Mr. and Mrs. T. Thompson have as their guests Mrs. Thompson's parents, Mr. and Mrs. Sam Franklin of Didsbury.

The show this week was "Gallant Journey." Next Saturday's show, "Frontier Gal," is in technology.

Shows are once again on old time, the first starting at 7:30 and the second at 9:30.

Mr. and Mrs. G. Mork and son of Calgary visited over Thanksgiving with relatives in the Cremona district.

The marriage of Mary Oldfield to Eddie Backstrom will take place in the United Church on Monday, October 25.

## REDEEMER LUTHERAN CHURCH

"What shall I do with Jesus?" Whether you realize it or not, you already answered that question in one way or another. You have done something with Jesus. You have either accepted Him as the Son of God and your personal Saviour from sin or you have neglected to do so. Continuing the series on "The Greatest Things in Life," Pastor Fox

will speak on "The Greatest Choice" at the regular Lutheran Service in Didsbury on Sunday, October 24, with the service beginning at 11:00 a.m. The Bible tells us: "Neither is there salvation in any other, for there is none other name under heaven given among men whereby we must be saved." It is to help every man, woman and child in this neighbourhood to give the correct answer to "The Greatest Question."

## LOCAL NEWS

—The regular meeting of the Didsbury Fish and Game Association will be held at the Lions Hall on Friday, October 22, at 8.30 p.m. All members are requested to attend.

Hector Lamont of Calgary spent the week end in Didsbury.

—The lady curlers of the Didsbury Curling Club will hold a whist drive in the Lions Hall on Friday, October 29.

The Knox United Church W.A. Evening Group will meet at the home of Mrs. Walter McCoy on Monday, October 25.

—K. Roy McLean optometrist of Calgary, will make his next visit to Didsbury at the Rosendal Hotel on Monday, November 1, morning only. Consult in city office, 1011 Southam Building, daily except Monday.

Albert Miller of London, Ontario, visited for a few days last week with his brother-in-law and sister, Mr. and Mrs. E. T. Wiggins.

—Don't forget the I.O.D.E. dance at Melvin Hall on Friday, October 22. Music by the O.S.A. Quintet.

C. A. Foss has been visiting in the Didsbury district for the past couple of weeks. Mr. Foss has settled at Palm Springs, California, and expects to return shortly to spend the winter.

Miss Eileen Parsons of Calgary, nurse-in-training at the General Hospital, spent the week end at her home in Didsbury.

Mr. and Mrs. M.E. Wood attended the presentation of certificates to nursing aides in Calgary last Saturday. Miss Maxine Wood and Miss Lauretta Seibel of Didsbury were among those receiving the certificates.

—Effective Monday, October 18th, all grain elevators in Didsbury will close daily at 6:00 p.m., and on Saturday at 12:00 noon.

There will be a W. A. Rally in Knox United church on Friday, October 22, at 2:30. The afternoon group of the W.A. will be hosts to the evening group, the W.M.S. and Westcott W.A. All the ladies of the church and congregation are cordially invited to attend. Mrs. A.W. Thorne of Red Deer will be guest speaker.

Mr. and Mrs. Lynn Hunsberger and family and Mr. Allan Hunsberger and daughter, Grace, were Edmonton visitors over the week end with relatives and friends. On their return, they were accompanied by Mrs. G. Rickman of Bellingham, Wash., who has been visiting in Didsbury and Edmonton for the past three weeks.

Mrs. Emma Gilmore of Vancouver, who has been visiting for a couple of weeks with her sister, Mrs. E. Grange, left last Tuesday for Drumheller to spend a couple of weeks with her son and daughter-in-law, Mr. and Mrs. Bob Gilmore. Mr. and Mrs. Grange took her to Drumheller and did a bit of pheasant hunting before returning to Didsbury.

George Sheline of Bellingham, Wash., visited with friends in the district for a few days last week. Mr. Sheline homesteaded in the Three Hills district many years ago and at one time worked in Didsbury for W.G. Liesener.

Mr. and Mrs. Ed Carleton and son, Michael, left Thursday for Banff after spending the past week at the home of Mr. Carleton's parents, Mr. and Mrs. O. Carleton. Ed, who has been a probationary warden in Banff National Park this past summer, has now been accepted for permanent staff.

In renewing his subscription to The Pioneer, Mr. William Falk of Victoria, B.C., writes to say that he finds the paper a good medium of information in regard to events taking place in the Didsbury district. Mr. Falk was an old timer of the Didsbury district, having lived here for over 10 years.

Douglas Alfred were the names given the infant son of Captain and Mrs. A.W. Brusso of Trenton, Ont., at a recent christening which took place at the home of the baby's paternal grandparents, Mr. and Mrs. A. Brusso. The role worn by the baby for the occasion is more than 100 years old and was sent from Scotland. Following the ceremony Mrs. Brusso was hostess at a reception for friends and relatives. Captain and Mrs. Brusso have left by motor to return to their home in the East.
